The Business Meeting is open to all classified staff of the California Community Colleges. Registration for the conference is not necessary to attend only the 4CS Business Meeting.

Silent Auction - The annual 4CS Silent Auction will be held throughout the first two days of the conference. The purpose of the auction is to raise funds to support the operations of the 4CS. Please also consider bringing something to donate to the 4CS Silent Auction either as an individual or from your senate. If you need more information, please contact Peder Nielsen @ pnielsen@cccscs.org

Selfie Treasure Hunt – The Selfie Treasure Hunt will be arranged this year through a Thursday morning session if you would like to participate.

Memento Exchange - Individual participants are encouraged to bring a memento that is representative of their college to exchange with other participants. The memento exchange is designed to encourage networking and interaction between participants.

COMMEMORATIVE ITEMS

A limited number of commemorative T-shirts and organizational shirts will be available for purchase at the conference. T-Shirts: SM-XL \$12.00, and 2XL-4XL \$15.00. Checks should be made out to 4CS.

ATTIRE

Dress for the conference is casual. Temperatures in Tahoe City in June average a low of 50 and a high of 75. It's a good idea to bring a sweater or light jacket for early mornings or evenings, and pay attention to forecasts prior to travel to be prepared for unseasonable weather changes. If interested in an early morning walk, please bring appropriate shoes and clothing.

CLI AWARDS AND RECOGNITION PROGRAM

2017 Outstanding Classified Staff Recognition Program. Our goal is to include and recognize, statewide, all classified staff that has received an award anytime during June 2016 through May 2017. With your help, they will be included in our slide presentation during the Classified Leadership Institute 2017 and on our website following the event. The award submissions will be collected online. Please forward this information to others on your campus who can submit awardees. For additional information please email Shondra West at swest@cccscs.org.

This year we will be celebrating our 25th Anniversary and are planning an elegant and classy evening for the Awards Dinner. If you would like to dress in a more semi-formal to formal attire we encourage you to come to impress. (this is optional).

WHAT TO BRING WITH YOU

- Your good humor and a flexible disposition. Remember this is not a “traditional” conference.
- Senate delegates, remember to bring a copy of your completed delegate form. New senates and senates with revised constitutions and/or bylaws, please bring an updated copy for our records.
- Senate leaders, please be ready to participate in discussions concerning statewide governance and contribute your local concerns and wishes. Please bring examples of local senate activities, newsletters, resolutions and documents to share with others and the 4CS Governance Library.
- Enough money or a credit card to cover additional costs during the conference (drinks during the social hour (cash), shuttle costs, other incidental expense, including the purchase of conference T-shirts, items in the 4CS Silent Auction and themed basket drawing).
- Please make your travel arrangements with the beginning and end of the conference in mind, 11am Saturday, so you do not miss final events and drawing.

HOTEL ACCOMMODATIONS

The Granlibakken Conference Center is a rustic resort located in Tahoe City, California. Participants stay in rustic but comfortable shared quarters ranging from hotel style room to a condo with multiple rooms. You will make your own hotel reservations by calling the convention center at (800) 542-3221 and asking for the CCLC/CLI room block. Please see the room fee list. Only a specific number of single lodging will be available on a first-come, first-serve basis. Make your reservations early for the best available conference accommodations.

Because Granlibakken will be sold out the evenings we are there, there will be very little opportunity to move you to another room. The hotel will attempt to accommodate all special requests, but will make no guarantees.

If you plan to bring family members, please be sure to reserve a *single* room. If more than one room is needed, please book the additional room(s) directly with the hotel and **not** within the CLI room block. Family members are not included in reservations for CLI meals or activities, so please plan to pay for their meals and hotel services separately. Additional meals for the Awards Dinner must be purchased via the CCLC registration process. “Guest Meals” include any individual joining you for a meal who is not registered for the conference.

The conference fee (paid to CCLC) covers conference registration costs, facilities, and dinners. Lodging fees cover all scheduled breakfast and lunch meals and access to hotel services. Please understand that the CLI room block is limited and that rooms are available and reserved for conference participants only. Thank you for your cooperation and understanding.
