

California Community Colleges Classified Senate

Dear Friend of 4CS:

The California Community Colleges Classified Senate (4CS) has served as your statewide participatory **governance** organization for classified professionals in the California Community College system **since 1993**. We are dedicated to supporting a classified voice in governance, student success, and professional development. We serve as an advocate and a resource in the role of governance by promoting collegiality, supporting leadership development, and facilitating communication for our constituents comprised of 60+ senates and councils and GROWING!

During this time, we have been able to accomplish our mission and serve hundreds of classified professionals each year by organizing the annual Classified Leadership Institute (CLI) in partnership with the Community College League of California, provide regional meetings, a Presidents' Retreat, and many other activities throughout the year to help keep the information flowing and conversations going. On a statewide level, we participate on several community college system committees as well as serving on the board of the Community College League of California.

However, **without important senate partners like you**, we would have difficulty providing these essential services to our classified constituents. As the organization has grown and developed so have expectations for the level of involvement of its board members at the state and local levels. **Your ongoing sponsorship** allows 4CS and its all-volunteer board to accomplish the 4CS mission and **increase its effectiveness**.

To help assist 4CS, **please complete the attached membership form**. Please mail this form to the address provided along with your payment. You may also make payments on the 4CS website: www.ccccs.org.

If you have any questions about 4CS, please do not hesitate to contact me at (646) 763-1503 or kjimenez@cccs.org.

In gratitude,

Karen Jimenez
